◯ User Stories 3
This item hasn't been started

◉ CtExploredApp #17
As a User I would like to be able to contact CT Explored so I can ask questions/comments.
Low   0   2

◉ CtExploredApp #15
As a User I would like to have a scrollable list of destinations in alphabetical order/searchable list of destinations (Reach goal).
Low   0   1

◉ CtExploredApp #18
As a User I would like to change the size of the text so I can see it better. (Reach goal).
Low   0   1

◯ Current Sprint 4
These are stories in the current sprint.

⊙ Draft
As a developer, I would like to create documentation for the app so we can pass it onto future teams to work on.
High   6   8

⊙ Draft
As a User, I would like to see my ranking and score on the leaderboard so that I can keep track of my standing.
Medium   6   1

⊙ Draft
As a developer, I would like to add the extra tour that our client provided us with.
Medium   6   1

⊙ Draft
As a developer, I would like to change the UI (user interface) appearance, so that it's visually appealing to the users.
Medium   6   1

◯ In Progress 0
This is actively being worked on

◯ Done 26
This has been completed

⊙ Draft
As a developer, I would like to create new logic for saving tours so that tour IDs don't cause saving conflicts
High   5   2

⊙ Draft •••
As a developer, I would like to make the app's design more responsive so that various screen sizes are accommodated.
High   5   3

◉ CtExploredApp #11
As a User I would like to select a POI so I can learn more about it.
High   1   2

⊙ Draft
As a developer, I will need to extend authentication flow so a user can link their Instagram account to their app/sign in account and store the necessary token for future requests.
High   3   8

⊙ Draft
As a developer, I would like to extend the user DB schema to create a system to store and renew the Instagram access tokens.
High   3   5
